CTEEN

Is an international monthly program for teenagers between 14 and 18 years old which provides a nurturing environment where teens can learn about themselves through giving to others, identify with individuals who share the same faith, and be part of a group that focuses on building positive core values. This way, teenagers can connect with their own Jewish roots while making new friends.

BAT MITZVAH CLUB

This program consists of 16 gatherings in which we will cross the milestones on Jewish History while discovering important female figures in our history. EMBRACING MY DIVERSITY

Workshops for Schools - Embracing My Diversity

D&D welcomes schools located in Brussels, private and public for an introduction to Jewish culture and a workshop on Diversity. Our aim is to create a “safe-space” for students coming from different cultural backgrounds to discuss the topic of diversity. With this get-together, young people will get a chance to learn about the diverse identities each one has within themselves and will rediscover what makes up the identity of their classmates.
